Rebate is available only for the installation of an EV charger (Level 1 or Level 2) installed on or after January 1, 2020. The charger must be installed where electricity is supplied by Itasca-Mantrap. If signing up for off-peak charging rate, charger must be hardwired into a circuit panel and be separately metered and controlled on the off-peak program. Rebate submittal must follow the guidelines. Itasca-Mantrap is not responsible for inaccurate information supplied by retailers/contractors. Rebate program is subject to change or cancellation without notice. Call Itasca-Mantrap to verify rebate program status.

Important:

- Rebate amount: **up to \$500** to offset the cost to install an EV charger.
- Limit one rebate per application.
- EV charger must be installed within Itasca-Mantrap's service territory.
- Incomplete forms will not be processed.
- For off-peak rate program: Charger must be hardwired into a circuit panel and be separately metered and controlled on the off-peak program.
- Complete all member information including your account number and sign this form.
- Submit completed rebate form and a copy of electrician's bill for wiring the charger or outlet within 90 days of purchase date to:
Itasca-Mantrap, PO Box 192, Park Rapids, MN 56470
- For questions, contact Itasca-Mantrap at 218-732-3377 or toll free at 888-713-3377.
