WHAT TO DO IN CASE OF A POWER OUTAGE

1. Check the breakers in your electrical panel to see if they have tripped.
2. Check if your neighbors are also without power.
3. Call the 24-hour outage reporting number at 218-732-3377 or 1-888-713-3377.

Make sure to have the telephone number associated with the property when you call to report the outage. **NOTE:** If the outage cause is on your side of the meter, you will be charged a service call according to the fee schedule.

11
